MEMORANDUM FOR : Chief, Administrative Branch, DFD-DO/P

25X1

SUBJECT : Review of [ ] Photographs [ ]

25X1

1. On 24 March 1960, [ ]  
reviewed subject photographs in Room 2-C-765 at the Pentagon.

25X1

2. Of the photographs reviewed, only two were of interest to  
DFD. Negatives 91 and 92 of roll 12, which were taken on 27 August  
1959, disclosed the buildings situated at [ ]

3. It was ascertained that the procedures listed below are  
followed with respect to public dissemination of maps and photo-  
graphs:

A. Maps are advertised and sold publicly.

B. Photographs are not advertised. However,  
photographs of an unclassified nature will be  
sold to anyone who desires them.

C. Photographs of a classified nature may be  
purchased by other Government agencies if they  
have obtained approval for purchase from the  
controlling agency; [ ]

25X1

D. Foreign agents purchasing maps must identify  
themselves as such.

4. A review of photographs cited in paragraph 2 reveals nothing  
of a classified nature. It was indicated that normal procedures re-  
quire a survey team to visit [ ] for purposes of ascertaining  
whether new buildings had been erected subsequent to the taking of  
the photographs.

25X1

5. Based on review and discussions, it is recommended that we  
allow the release of the aforementioned photographs as unclassified.
